

*“For whatsoever things were written aforetime, were written for our learning, that we through patience and comfort of the scriptures might have hope.” Romans 15:4*

God has plenty of ways to supply everything His children need. One extreme example is in 1 Kings 17:1-6, when Elijah was fed bread and meat twice a day, by ravens. Another extreme example is that He provides YOU with the cash to buy groceries, clothes, a place to live, etc., etc.

Kinda makes you want to be thankful, doesn't it?
